The Basic Wall Course (BWC) is the ultimate beginner's introduction to climbing. The objective of the course is to provide you with the knowledge and practical experience necessary to climb and belay safely on top-roped sport routes.

Combining theory and practical lessons, the 4-hour program meets or exceeds minimum standards of training recommended by internationally recognized climbing associations. All BWC Instructors are certified via American Mountain Guide Association (AMGA) or other internationally recognized association.

There is no age restriction; however we recommend that children under the age of 15 attend with an adult, participation is not recommended for children under 12 years of age. Individual bookings will be combined as a minimum enrolment of 4 persons is required to run the course. We will notify you of the course status the day before the course commences.

**Advanced booking is a must: No experience necessary
