Welcoming both aspiring and seasoned climbers, Camp5 offers a **great-indoors experience**, with full amenities, in Asia's largest air conditioned climbing facility.

Climbing is pure movement, that's why **everybody can climb!** There is no prerequisite fitness level, age, or gender. In fact you climb already, stairs, ladders etc. At Camp5 we simply take it to another level, redefining your climbing potential.

If you're a **new climber** we have 2 options to get you started. You can try out climbing through our 1-hour experience-only **Taster session** designed so you can sample the rewards of climbing before fully engaging yourself in the sport. If, on the other hand, you have decided to make climbing a part of your **active lifestyle**, then the **Basic Wall Course** is for you.
