

Guided Outdoor Climbing

Every Saturday of the month

Price per trip: RM85 - 20% discount for 3, 6 & 12 month members

For all the benefits and luxuries indoor climbing offers, nothing can compare to the feeling of exposure and sense of adventure that comes with climbing REAL ROCK. There is one limitation - you won't find top-ropes conveniently hanging in place for you to climb, that is.. unless you join us on an Outdoor Guided Climb.

Every Saturday of the month, staff from Camp5 will descend on one of Batu Caves or Bukit Takun climbing sites and you are invited to join us.

Top-ropes will be set up on the routes. So minimum Top-rope skill is required. This is not a training program, so you will be expected to look after yourself - no novice/guest. Rented climbing gear is available if you need it, be sure to request when you make your booking. Any booking and rented gear payments must be made directly at Camp5 reception - no cash payments accepted on the day.

Own transportation is required; climbers will rendezvous 9am at either: Gua Damai (Batu Caves) or the Shell Station for trips to Bukit Takun (Scan the QR codes on reverse side for location on Google Maps)
Don't be late - we wont wait.

Prerequisite skill is a MUST; minimum Top-rope climbing and belay
see reverse-side for further information

Guided Outdoor Climbing
